A Caradoc Williams Esq

Dee Conservator

Dear Sir

Re Barge "Lord Delamere"  
now stranded in the River  
Dee, we should be pleased  
to have your permission  
to remove her. It would  
be our endeavour to remove  
the vessel entirely & we  
see no reason why this  
could not be done, of  
course it is understood

that all we remove  
becomes our property.  
We trust you will see  
your way clear to remit  
any dues that may exist  
on the River Dee so you  
can readily understand  
the expense on a Venture  
of this nature.

Thanking you in anticipation

We have the honour to remain

Yours faithfully  
Elizabeth Steam Derrick Co.
